Professor J. F. McLaughlin,

Victoria College.

Dear Professor McLaughlin:

I have to thank you for the programme of the Theological Alumni Association and for the invitation to be present at some of the meetings. I should be glad to avail myself of your invitation were it not that my engagements during the day absorb all my time at present, and I require my evenings, except two for which engagements have been made, for my opening address next Tuesday. Wishing you a successful conference,

I am,

Yours sincerely,

President.

Professor J. F. W. McLaughlin,

Victoria College.

Dear Professor McLaughlin:

I will keep your letter so that when the application of Mr. N. C. Day for a graduate fellowship comes forward his case may be carefully considered. As you are aware these scholarships, however, were meant in the first place for applicants from the Western Universities and then for those outside Toronto, and only in the last resort for our own graduates.

Yours sincerely,

President.
